We consider all of our clients our friends and look forward to serving them beyond their highest expectations. We will put as much detail and careful planning into your event as we would our own.

Dear Occasions Music, Thank you for sending such professionals to entertain our wedding!! We have never been to ANY wedding where the DJs kept the guests dancing ALL NIGHT, as you did!! We've received so many compliments! Thank you!

- BRIAN & AMY KUTRUFIS / PITTSBURGH, PA

Ken, I have sent out seven other thank you notes and have saved yours for last. I want to thank you for the best entertainment! Everyone had a great time. Thank you for so many things--like entertaining our guests while we were tied up outside with our photographer. Thanks for the bubbles! And thank you for the greatest introduction of a bridal party we have ever witnessed! When we came through the front doors of the facility, everything looked so lovely. I'll never forget how I felt that night. It was great not having to worry about anything. Don't know what we would have done without you. We'd recommend you to anyone.

I've been producing and directing outdoor historical productions all over the country for the Rodgers Company for years and have used the services of many professional sound companies. Occasions Music has consistently been the best I've worked with and will be the only company I'll book in the future. Their hi-tech equipment and concern for professionalism outshines all others.

Occasions Music provides superior service and professional quality sound for our special event needs. We have booked their services for small and large events, including crowds attracting over 5,000 customers. We have always been pleased with the results! I used them for my wedding reception as well. I highly recommend their services for any personal or business function.

Dear Mr. Stein, speaking for the board of directors and the banquet committee of the Norwin Teachers Federal Credit Union, I feel it only proper to let you know how pleased our members were with the music you provided for our Credit Union annual dinner at Lakeview Lounge. Your sound system was remarkable, the special effects imaginative, and your choice of music most varied. The soft background music during dinner was a perfect compliment and the dance music--as one could see by the number of couples on the floor was just right. Thanks again. We will recommend you to others.

Occasions Music entertained for a dinner party at our home. We were totally pleased and hope to have them for another. Their sensitivity to our diverse mix of guests, elaborate quality equipment, huge library of music, and cooperative attitude made all the difference.

- LISA PIERCE RUTLEDGE / LIGONIER, PA

Ken, Dale and I want to thank you for the spectacular job that you did at our wedding. Everything was great! Our day was made more wonderful by your performance. Love,

Dear Teresa, I just wanted to take a few minutes to write to you and express my thanks for the service you provided for the Belle Vernon Area High School dinner dance at the Sheraton Inn. As usual everything was first class on your part. Your audio/stereo equipment & lights were already setup when I arrived early in the afternoon and took on a very professional appearance. Later, when the students arrived and we sat down to eat, I appreciated the dinner music you provided. I, myself, do not know much about the music that young people of today like or enjoy--but you obviously do. The students began dancing as soon as you started playing, and they kept dancing until the dinner dance concluded. They were particularly pleased with your willingness to talk and consider requests. Your ability to establish rapport with young people is to be commended. Following the dance, amidst all the hugs and kisses from an emotional and grateful senior class, I was told repeatedly how much they enjoyed the entertainment you provided and how I should try to schedule Occasions Music as the traditional or standard entertainment for our annual affair. The following week I was still receiving praise for the events of the past weekend. You have furnished entertainment in the past for both the senior dinner dance and the Christmas dance, and I have always been pleased. Thanks again for having made all of our events such special, memorable, and fun-filled occasions.

Mr. Garris, thank you for the terrific job of entertaining the Mt. Pleasant Prom at Seven Springs. The sound and special effects were the best that we have ever experienced at a dance. Please accept this \$100 tip above the contracted price. Hope we can book you again.
